## The Health Informatics Service & X-Lab

- Relationship started in 2007
- THIS hosted by Calderdale and Huddersfield NHS FT
- THIS responsible for Infrastructure, Contracts & Service Desk
- X-Lab responsible for UI, System & Developments & Maintenance
- Managed via a joint Governance Board
- Underpinned with an Operations Board
- Partnership Agreement in place supporting joint delivery model

## NPEX - Strategic Drivers

- Carter Report – Unwarranted Clinical Variation
- NHS Improvement – Consolidation of back office services
- Five Year Forward View & STPs
- Removal of paper - PFPC
- Reduction in turnaround times

## Take home Messages

- Innovation doesn't have to be expensive
- Innovation can be driven by the NHS for the NHS
- Embrace change to drive efficiency
- Digital Maturity will improve patient care
- Pathology systems needs to modernise
